

Shiraz

This Shiraz has lifted aromas of ripe plum, cherry and berry fruits with typical Shiraz spice. The fruit and spice characters, firm tannin and excellent fruit weight linger on the palate, complimented by nuances of vanillan from seasoned French and American oak. Dark crimson colour that stains the glass this wine is ready to drink and can be cellared for up to eight years.

This Shiraz can be enjoyed on its own, but can be complemented with pepper based meat and pasta dishes.
